

New TWN teachers overview video now available.

Posted on Nov 04, Posted by [Joanne Martin](#) Category [Website Updates](#)

The TWN is a therapeutic writing hub for facilitators, counsellors, instructors and other professionals.

There are MANY lucrative reasons why you would want to sign up to become a teacher for the therapeutic writing network. The TWN provides increased marketing exposure for your business, increases revenue potential and gives you new avenues to promote your services. In this video we will explore the many great opportunities and features of the TWN for teachers. We briefly cover the benefits for students to provide context to our great services.
